And I think they get a “kick-back” from the auto body shops!  
PLEASE do your best to arrive before dusk so it's not “deer-thirty” ...  
and definitely do your best to arrive before dark because it is  
REALLY DARK out here in the country.

**PAT'S DISCLAIMER:**

These directions are written to the best of my ability and knowledge.  
Remember there is ALWAYS construction, and often there are accidents.  
Allow yourself EXTRA TIME to get here so that you don't have to rush (speed),  
especially if you are driving a **Mary Kay car!**

**Detailed written directions are on pages 3-8 for driving in:**

From the South on I-35 - ie. from San Antonio

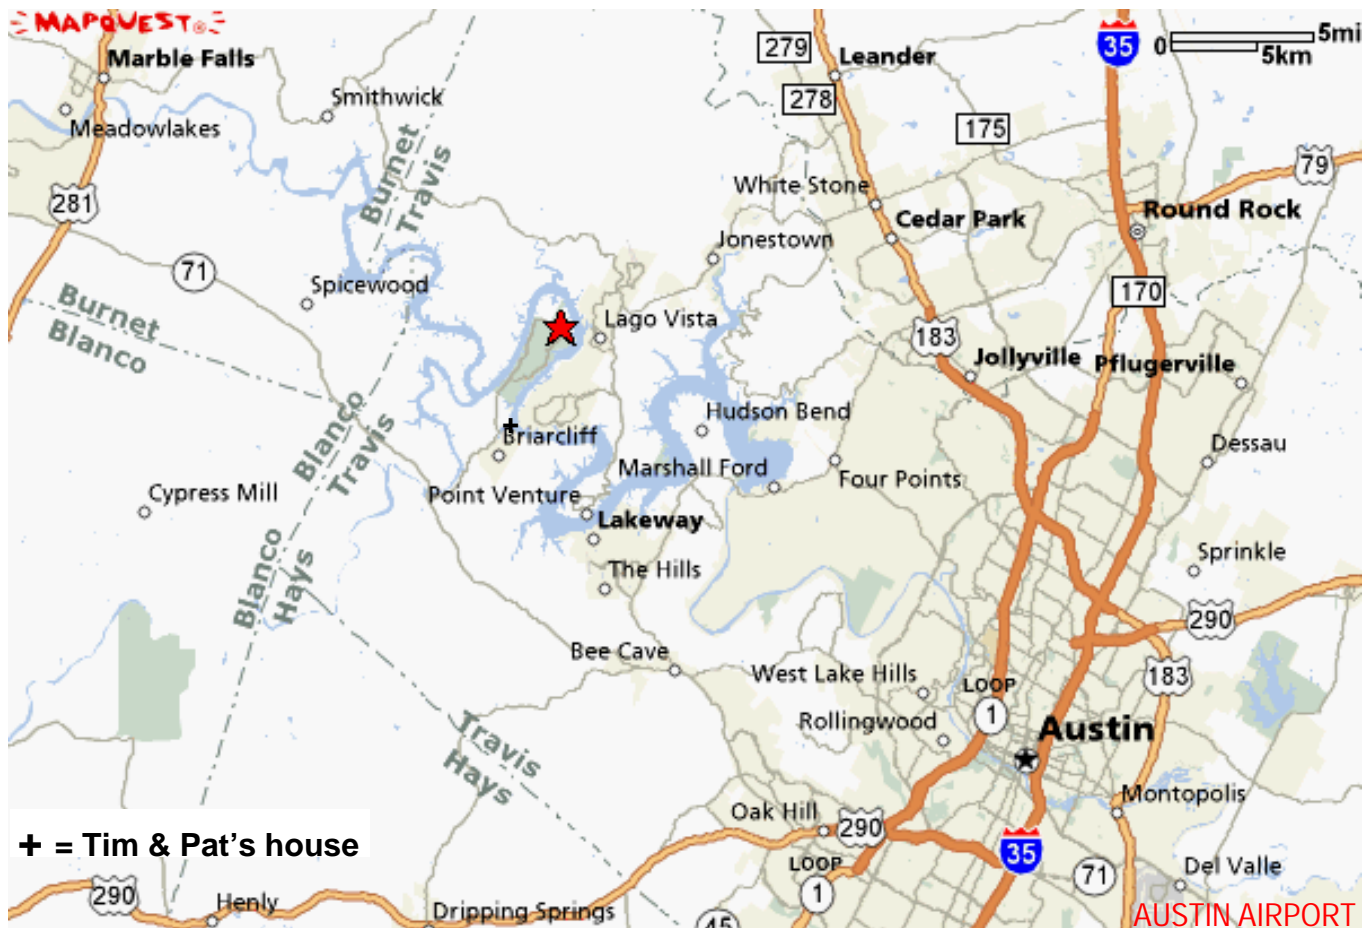

From the SouthEast on Hwy 71 - ie. from Houston or the Austin Airport

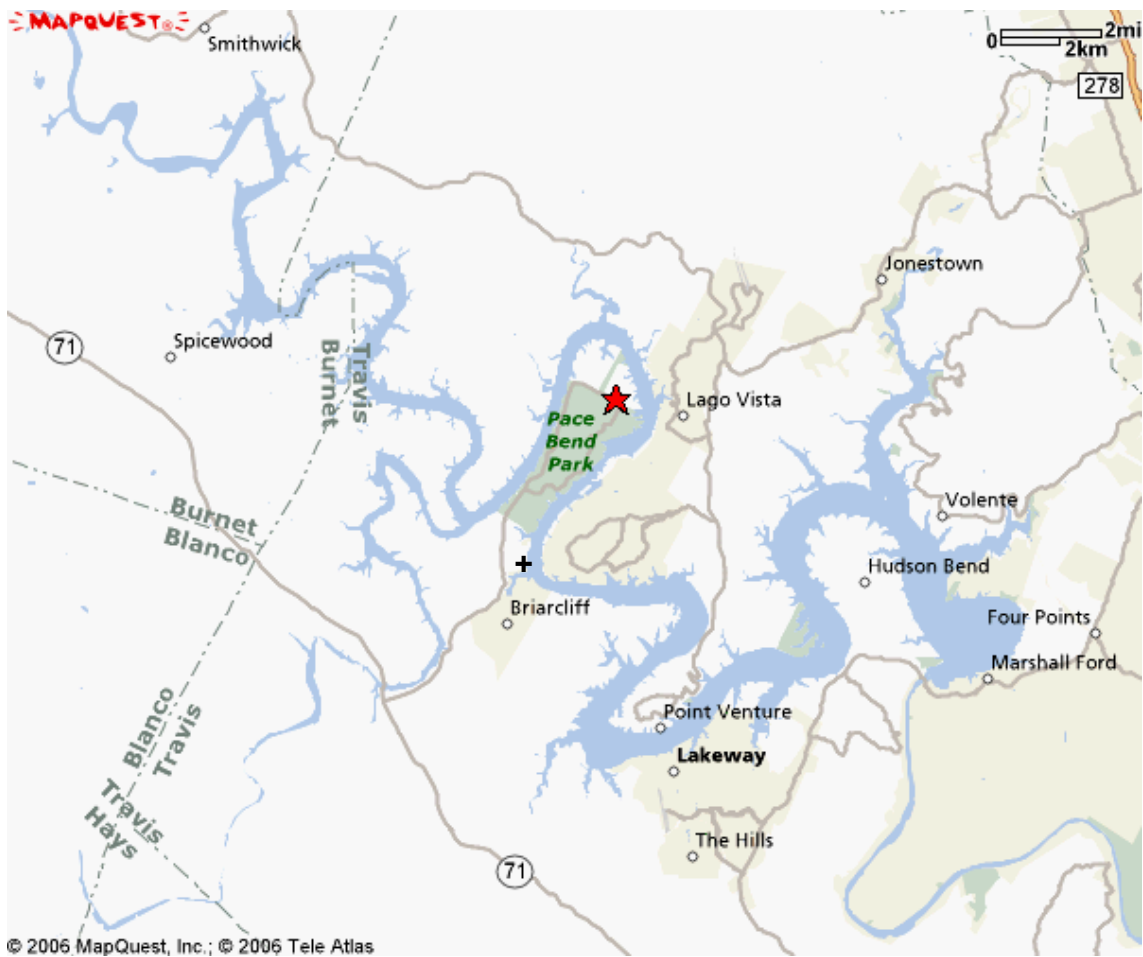

From the SouthWest on Hwy 281 then Hwy 71 - ie. “back way” from San Antonio

From the North on I-35 - ie. from Dallas/Ft.Worth

From the NorthEast on Hwy 79 - ie. from Shreveport

From the NorthWest on Hwy 281 then Hwy 71 - ie. from Marble Falls

## **From the South on I-35 - ie. from San Antonio**

Go **West on Hwy 290**. You **cross South Mo-Pac Expressway (Hwy 1)**. Follow the signs for **Hwy 71**. **Veer right at the light at Hwy 71** (toward the towns of Bee Cave and Marble Falls). You will be on Hwy 71 for a total of about 20 miles. You will pass Southwest Parkway and Bee Cave Road (FM 2244). You will come to the major (pain) intersection of Hwy 620. Most of the traffic will be trying to veer right onto Hwy 620 but you want to be sure that you are in the left lane to **remain on Hwy 71**.

**After the Hwy 620 intersection**, you will be on **Hwy 71 a TOTAL of about 10.8 miles**.

Go through the lights at **Hamilton Pool Road** and **Bee Creek Road**.

Hwy 71 narrows to one lane going your direction, but still two lanes coming at you. After about 3.5 miles you will see a traffic light. Look for a Chevron station on the right at that corner. You will **turn right on to Pace Bend Road - FM 2322**.

### **TO HIGHLAND LAKES CAMP:**

**Stay on Pace Bend Road - FM 2322 for approx 4 miles**. You will pass Bee Creek Road (again) and pass the entrance to Briarcliff Village on the right. You will then pass the Briarcliff Marina & Lighthouse Cafe on the right. You will pass our road, Cat Hollow Club Drive. Stay on Pace Bend Road until you enter the Pace Bend Park. Then stay straight till the road curves to the right. Continue about one mile. Enter Highland Lakes Camp on the left. Curve to the right and you will see the Conference Center. Park and come in to "sign in".

### **OR ... TO PAT & TIM'S HOUSE:**

**Stay on Pace Bend Road - FM 2322 for 3.5 miles**. You will pass Bee Creek Road (again) and the entrance to Briarcliff Village on the right. You will then pass the Briarcliff Marina & Lighthouse Cafe on the right. The **next right turn is Cat Hollow Club Drive**. The sign is obvious, but the turn is a sneaky tree-covered corner.

**Our house is .5 mile down on the right**. It has a criss-cross cedar fence along the entire front. Come in the **second gate** - if it is closed, the code is 7752 (the last four of our home phone number). The gate is sometimes tricky, so call Pat's cell phone (512-484-5741) if it won't open.

**From the SouthEast on Hwy 71 - ie. from Houston, or Austin Airport**

**If coming from the SouthEast on 71, pass the Austin Airport.** It will be on your left. **Continue on Hwy 71** through the traffic, construction, etc. Hwy 71 will **cross Hwy 183** where it will also be called Ben White. You will **cross I-35**. NOW it's called **Hwy 290** (go figure). Watch carefully and **exit on Brodie Lane / Southwest Parkway**. There will be an Academy Sports, Sam's, and Best Buy on your right. You want to **take Southwest Parkway heading west**. It is a nice new highway that seems to be in the middle of nowhere. When **Southwest Parkway dead ends turn right on Hwy 71**.

**Stay on Hwy 71 about 4-5 miles** and you will see Hwy 620 go off to the right. **Stay in the left lane and continue on Hwy 71**.

**From this point, you will be on Hwy 71 a TOTAL of about 10.8 miles.**

Go through the lights at **Hamilton Pool Road** and **Bee Creek Road**.

Hwy 71 narrows to one lane going your direction, but still two lanes coming at you. After about 3.5 miles you will see a traffic light. Look for a Chevron station on the right at that corner. You will **turn right on to Pace Bend Road - FM 2322**.

## **From the North on I-35 - ie. from Dallas/Ft.Worth**

Just after you **pass Round Rock** you will go **West on Hwy 620 toward Lakeway**. You will be on **Hwy 620 for about 25 miles**. There will be lots of traffic lights. At about 22-23 miles, (once **Hwy 620 has taken you through Lakeway**) be looking for a big **Target and Home Depot up the hill on the right**. They are hidden a little by a strip of shops in front of them (Quizno's, Radio Shack, etc.)

Within a couple of miles **Hwy 620 will end at Hwy 71**. It curves left as it ends and there is a traffic light. You need to be in the right lane. **Turn right on Hwy 71**.

You will be on **Hwy 71 a TOTAL of about 10.8 miles**.

At that intersection you **turn left/south on to Hwy 281**. **Stay on Hwy 281 through Hamilton, Evant, and Lampasas**. When in Lampasas you will have to turn right to stay on Hwy 281 ... be sure to watch for a right turn just past the Sonic. **Stay on Hwy 281 through Burnet and Marble Falls**. (Note: when you are entering Burnet there is a stop light at County Road 108 ... Jessica & John's ranch is west on that road about 7 miles ... beautiful hill country!)

**Take Hwy 281 through Marble Falls and over the dam (that's our Lake Travis on your left)**.
